CONTRACTOR PREP WORK	I	64	64	7:00 AM	5:30 PM	<p>The Design-Build Team (DBT) Brayman - Trumbull, A Joint Venture (BJTV) will be working Monday thru Friday the week of (06/28/2021 - 07/02/2021). They will be installing E&S control measures as needed and creating access points to future work areas. The majority of this work will be well behind I-64 guardrail, therefore creating minimal if any impacts to traffic. At the new St Albans WB Entrance Bridge, they will be working on the pier cap forms, and will be setting forms and tying rebar preparing to pour the WB Exit Bridge at Abut. #1 and #2. They will be working doing excavation on WB from Sta.2625+00 to Sta. 2640+00. Also, there will be trucks crossing the SAINT ALBANS EB EXIT RAMP thru out the week as needed from 7:00 AM to 5:30 PM Weather permitting. There will be trucks entering the SAINT ALBANS EB on Ramp. Faggers will be used to stop and direct traffic. Also, the Right Lane of WV 25 from the park and ride to the WB on ramp will be closed from 7:00 AM to 5:30 PM. Bills Creek Bridge, at Abut #2 contractor will setting MSE Panels and backfilling, also Abut #1 they will be backfilling the Abut. and setting Cooping on top of MSE wall. Along WB 64 from Sta. 2588+00 to 2606+00 they will be doing Excavation and placement of Rock Toe Keys, Pipe Extensions, and roadway fill. The contractor will be working on the new EB Exit connector ramp to WV 817, placing pipe extensions and headwalls along with rock toe key and fill and doing excavation for widening of the ramp. Also will be starting on the excavation at Sta approx. 2600+00 WB for the placement of 8X7 Box extension, they will be doing excavation for and placing rock toe key at the same location. Also will be pouring footers for 8X7 Box. The contractor will still be receiving barges with shot rock for causeway and for rock toe key. Contractor will begin work on the Production Shaft #2 and pouring for the new Kanawha River Bridge. Water Line subcontractor will be finishing up waterline relocation, by seeding, and other misc. work. There is metal barrier in place off of the wide shoulders of I 64 WB entrance and exit ramps. Travel ways are not narrowed, and traffic is not impacted by this barrier. It is in place to help prevent any rogue material making it to the roadway and prevent semi-trucks from parking on shoulder.</p> <p>The Design-Build Team (DBT) Brayman - Trumbull, A Joint Venture (BJTV) will be working Monday thru Friday the week of (06/28/2021 - 07/02/2021).
